

Slow Play a Gentle Reminder

Be ready on the tee and stand,
With your ball and club in hand.

On the next tee, saving time isn't hard,
One drives off and one marks the card.

Don't leave buggies in the way,
Or those behind must wait to play.

Keep up with player ahead of you,
Losing a hole is strictly taboo.

Lost a ball? Not a clue?
Players behind you must call through.

In Stableford, if you cannot score,
Pick up your ball and putt no more.
